Rewarding you in the future

NYCC employees are automatically enrolled into the Local Government Pension Scheme (LGPS), one of the few remaining defined-benefit pension schemes in the UK. There are many benefits to the LGPS, which include:

- On average NYCC pays over twice as much as staff towards each pension;
- you get tax relief on all your contributions;
- you can take a tax-free lump sum payment on retirement;
- each year you will build up a pension based on your pay and inflation increases will be added to ensure that your pension keeps up;
- protection should you have to retire early due to ill health;
- life cover of 3 times your pay from the first day you join the scheme;
- dependents benefits payable if you die so your pension does not die with you; and
- there are no hidden management fees or hidden costs, you simply pay a percentage of your salary.

“ North Yorkshire County Council is a very rewarding place to work. I can make a real difference to the day to day lives of those in the community using my service, whilst also meeting my goals as a parent, friend and member of my own community ”

Variety of career-pathways available

As a large employer, NYCC is able to offer a wide variety of career pathways for employees. With more than 200 vacancies across schools and services (on average) advertised at any one time, there are a wealth of opportunities for career development along many different pathways in the organisation.

NYCC provide a range of high quality training, learning and development interventions, linked to Council priorities, which challenge and stimulate learners. We offer training online, in the classroom, via webinars, job shadowing, coaching and mentoring.

Employees have open access in their own time to a suite of resources; watch & go videos, pocket books, learning guides, video clips; audio clips etc. You can also take advantage of a special home-use licence for Microsoft Office 2013, to help you become familiar with the software. We have worked with Microsoft to provide access to the Office Professional suite of products at a substantially reduced price of around £10.

Commuting or relocating?

Should you need to commute on public transport, we offer an interest free season ticket loan so you can spread the cost. For driving, why not consider a fuel-efficient salary sacrifice car?

If you need to re-locate or fancy moving to beautiful North Yorkshire, NYCC's comprehensive relocation scheme offers expensed relocation up to £8,000, subject to eligibility.
