

## **Equalities Policy Statement**

Governors at Cayton School, support the principle of equal opportunity and diversity management and aim to ensure that all children and adults receive equal treatment irrespective of their gender, race, colour, nationality, ethnic origin, family commitments, disability or religious beliefs.

## **Safeguarding / Child Protection Statement**

Cayton School considers the protection, safety and wellbeing of children in its care as major priority and responsibility. The School is committed to following the Area Child Protection Committee's and LA's child protection procedures and guidance. The School will refer to Social Services Department when appropriate; working together with other agencies, attending and providing reports for Child Protection conferences and contributing where appropriate to any Child Protection Plan.
