

Service and job specific context statement

Directorate: Children and Young People's Service

Service: Inclusion

Post title: Locality Team Manager for Disabled Children's Services (0-18)

Grade: Grade N

Responsible to: Disabled Children and Young People's Service Manager

Staff managed: Manages operational frontline staff

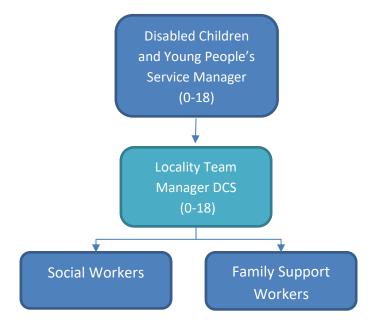

Date of issue: July 2021

Job family: C&S - Care & Support

Job context

- The post is based within the Inclusion Service to ensure close collaborative working with the SEND teams.
 However, close working relationships across wider Children and Families service is a requirement within the role
- This role will involve working in an integrated way with key internal and external partners to ensure that the assessed needs of children and young people and their parents are met and there is collective responsibility for outcomes and resources required.
- A DBS check is required.

Structure

Job Description

Directorate: Children and Young People's Service

Service: Inclusion

Responsible to: Disabled Children and Young People's Service Manager

Staff managed: Manage operational frontline staff

Job purpose

- To lead and manage a team of social workers in a locality area who are
 responsible for a caseload of families with disabled children to ensure their needs
 are assessed and they receive an appropriate plan of support to meet need.
- To ensure high performance in terms of practice, assessment, review and resource management.

Operational management

- To ensure high performance of social workers through regular supervision, professional development and observations of practice
- To ensure safeguarding practice across the team and ensure manager oversight of child protection, safeguarding issues and families at risk of crisis
- To ensure that assessments of need are high quality, reflect family context and the impact of the child's disability
- To ensure that the team performs highly against key performance indicators and standards and embraces the vision and values of the wider children's social care workforce in NYCC
- To ensure high quality assessment and outcome information as part of the statutory EHC process and participates in annual reviews and transition planning.
- To ensure responses to meeting assessed needs of families are proportionate, cost effective and regularly reviewed
- To ensure that the quality and development of the service area is informed by feedback from parents/carers, children and wider stakeholders
- To attend or chair planning, placement or review meetings and promote multidisciplinary approaches

Communications

- Establish rapport and respectful, trusting relationships with children, young people, their families and carers.
- Establish a high profile and strong working relationships with health, HAS, colleagues across CYPS and the third sector
- Ensure strong communication across the team to keep staff aware of developments and performance
- Remember and understand the procedures and legislation relating to confidentiality issues that apply to your job role
- Understand the key role and value of parents and carers; know when to refer them for further sources of information advice or support

Partnership / corporate working

- To actively promote inter agency working, planning and developing services with schools, health, other LA services and the voluntary sector
- To provide professional advice to colleagues in children and families on assessment and meeting needs of children with disabilities
- To build strong relationships with SEND Hubs, to ensure a joined up approach to meeting education and care needs
